Strategies to Address Coastal Flooding A Workshop for Great Bay Municipalities

Thursday, March 23, 2017

5:30PM — 8:00PM

Newmarket Town Hall, 186 Main Street

Municipal staff, boards and commissions, and elected officials are invited to attend a workshop to learn about what other coastal municipalities are doing to address coastal flood hazards and a new grant opportunity to help implement adaptation strategies in your community!

Workshop Agenda

- ◆ *Registration and Light Refreshments*
- ◆ *Overview of Coastal Commission's Report & Setting SAIL Project*
- ◆ *Summary of Great Bay Municipal Assessments & Recommendations*
- ◆ *Projects to Inspire Action*
- ◆ *Technical Assistance Grant Opportunity Roundtable*

[Register Here](#)

The Setting SAIL project will conduct outreach and provide technical assistance grants for Great Bay municipalities to implement recommendations from the New Hampshire Coastal Risk and Hazards Commission's [final report](#). This report acts as a framework to better understand NH's coastal hazards and flood risks, and provides guidance and recommendations to help NH prepare for projected storm surge, sea-level rise, and extreme precipitation.
